HR Compliance Tool-Vihara Corporate Governance

Veerayee HR provides practical HR and labour law compliance tools designed to help businesses manage statutory requirements efficiently and accurately.

Our compliance solutions support organizations in tracking PF, ESI, Professional Tax, Labour Welfare Fund, Shops & Establishments compliance, payroll compliance, employee records, statutory filings, and compliance due dates. These tools help HR teams and businesses reduce manual work, maintain proper documentation, monitor important deadlines, and improve overall compliance visibility.

With Veerayee HR's compliance support, businesses can streamline their HR processes and maintain better control over their statutory responsibilities

Establishment Compliance Services

Our Establishment Compliance services ensures that your organization operates in full accordance with all statutory and regulatory frameworks under the Shops & Establishments Act and other applicable laws

We conduct a detailed compliance check covering employee records, licenses, registers, and renewals. Our team audits all documentation, verifies timely statutory submissions, and identifies areas for improvement. Once all parameters are satisfied,

we support to obtain an Establishment Compliance Certificate, affirming your organization's legal compliance status. This certification not only builds confidence with stakeholders but also safeguards against potential penalties and litigation. We help businesses maintain transparency, credibility, and uninterrupted operations through continuous compliance monitoring.

Flexi Staffing Services

Veerayee HR offers customized Flexi Staffing solutions to help organizations scale their workforce dynamically without long-term obligations. We supply skilled and semi-skilled professionals across industries for project-based, seasonal, or short-term assignments.

Our process includes sourcing, screening, onboarding, payroll management, and complete statutory compliance. All employees are placed under our rolls, ensuring clients remain free from administrative and legal liabilities.

We handle all PF, ESI, PT, and other compliance activities transparently. Our flexible staffing model helps organizations manage cost efficiency, productivity, and continuity in operations. Whether you need five people or five hundred, we ensure quick deployment and reliable service across India.

HR Due Diligence Audit

Our HR Due Diligence Audit provides an in-depth evaluation of an organization's HR processes, legal compliance, and documentation accuracy. This audit is vital during mergers, acquisitions, or organizational restructuring to assess compliance health and identify potential risks.

We review HR policies, employee records, contracts, payroll data, and statutory filings to ensure full alignment with labour laws. Our experts prepare a comprehensive audit report highlighting compliance gaps and recommending corrective actions.

By partnering with us, businesses gain valuable insights into their HR efficiency and legal preparedness. Our audits strengthen corporate governance, reduce legal exposure, and support transparent decision-making.

HR Shared Services

Our HR Shared service enables companies to delegate complete human resource operations to a professional team without compromising quality or compliance. From onboarding to performance tracking, employee relations, and exit management.

we manage the full HR lifecycle. We bring efficiency through automation, expertise, and structured processes. Clients benefit from reduced administrative costs, consistent policy enforcement, and improved employee satisfaction.

Our HR specialists ensure your organization remains compliant with all statutory and labour regulations. With Veerayee HR, businesses can focus on strategic growth while we handle people operations with confidentiality, accuracy, and professionalism.

Payroll Services

At Veerayee HR, we manage the entire payroll process with unmatched accuracy and confidentiality.

Our system covers every aspect — from employee data collection and salary computation to tax deduction, statutory remittances, and payslip generation. We ensure that every employee is paid on time and in full compliance with legal standards.

Our automation-driven payroll solutions minimize human error and administrative effort. Clients benefit from transparent reporting and seamless integration with financial systems. We also provide monthly summaries, audits, and tax-ready reports. With us, payroll becomes a strategic support function rather than a manual burden.

Payroll Compliance Services (EPF/ESI/PT/LWF)

We provide end-to-end payroll compliance management, ensuring businesses remain fully aligned with statutory requirements like PF, ESI, PT, LWF.

Our team handles all documentation, online submissions, and periodic returns on behalf of clients. We monitor legal changes continuously and implement updates proactively. Our digital compliance tracking system reduces the risk of penalties and missed deadlines. Clients can access real-time dashboards and audit-ready records.

We ensure total accuracy and transparency in every step. With Veerayee HR, your organization enjoys stress-free, timely, and precise compliance management across all locations.
